MPT C	Wed 5:00 - 6:50		

Elementary School Program

► Junior JEC NW English Level I - III

Designed for 2nd to 5th graders, the Junior JEC NW English Program includes 2 sessions of reading comprehension along with vocabulary building, grammar, and creative writing.

Group	Schedule
Level I	TBD
Level II	Sat 1:00 - 2:50

► Junior Math Personal Tutoring

A junior version of our math personal tutoring, this course will help younger students improve and develop their math skills, each at his or her own pace, in a small, intimate setting with one of our highly qualified and experienced math instructors.

Group	Schedule
JMPT A	Tue 5:00 - 6:50

JNW Special Program

► Math Personal Tutoring 7 (MPT7)

The MPT7 Program is designed for the student who needs to get help on all K-12 math levels up to Pre-calculus in small group tutoring sessions which will have a **maximum of seven students per class**. The timely academic coaching with necessary guidance on homework and/or based on our curriculum, a student will be able to solve problems on his or her own rather than having teachers solve for them. The MPT7 Program is a very effective way to get help for the student who is looking for professional support and guidance on improving and/ or getting ahead in math.

Group	Schedule
MPT7 A	Tue 5:00 - 6:50
MPT7 B	TBD

► Read@ JECNW 7 Program

Our classic English course, featuring reading, grammar, writing, and vocabulary development, is now available in a more affordable tuition. For self-motivated students willing to challenge themselves, our new Read@JEC NW7 plan provides weekly grammar or writing instruction and small group discussion of grade appropriate reading texts. The more concentrated curriculum means that students can get ahead in language arts with a smaller in-class time commitment if they are ready to put forth the effort necessary to succeed.
